## CHAMPION PARALYMPIAN LUKE POPE AT THE REAL FILM FESTIVAL

Australian Paralympian Luke Pople will be joining the Festival on Saturday for the screening of feature film, Roll with It.

Roll with It is an access-all-areas look at one of our greatest sporting teams – the Aussie Rollers - directed and produced by Christopher Mill.

The film features Australia's own champion wheelchair basketball team, including Luke Pople. It follows them as they overcome individual struggles while they strive for team glory. After losing the gold medal at the London Paralympics, the team is looking for a come back at the Wheelchair Basketball World Championships in South Korea.

But as Paralympians, winning the title isn't their greatest achievement.

As a proud member of the Aussie Rollers, Luke has been with the team since helping them qualify for the World Championships, and has a successful career with the Wollongong Roller Hawks. He most recently represented Australia at the 2018 World Championships in Germany.

Join Luke and Roll with It's director Christopher Mill after the film for a special Q&A session.

Roll with It airs 2.30pm this Saturday at the Tower Cinemas. Tickets are limited. Get yours now at [www.realfilmfestival.com.au](http://www.realfilmfestival.com.au)
